

## **Social Solos**

New to town or just passing through

The place to meet a mix of great people, ideal if you are wanting to meet new people in your area, new to town or just don't want to sit alone.

## **Business Networking**

Professional Networking people

Do you own a business, maybe a salesperson. Your next business opportunity could start with a simple cup of coffee or a shared meal.

## **Solo Singles**

Authentic face to face connections

Real world singles, no swiping, no pressure, just real life in a relaxed environment. It could be at a café, restaurant or maybe sky diving. Meet people that are into the same places as you.

## **Prime timers (60+)**

People at the same stage of life

Meet people at the same stage of life. Staying social is healthy at any age, enjoy meeting new people that are into the same places as you are.

Your community table for business or social

No more sitting alone, a great networking  
solution

Simply sit at a “Solo Seaters” table to meet  
new people. No invitation required.
